Dedicated, determined, proficient, and creative UX/UI Designer with excellent work ethic and communication skills. Consistently learning and improving is a vital addition to any team. My passion for design is making a positive impact in people's lives through design which drives social good.

Design Projects

Figma Everything Burger App
January 2022 to April 2022

Utilized user-centered design, creating an app that is equitable for all users. The design process included user research, paper, and digital wireframes, hi-fi prototypes, and user testing.

Adobe XD Furry Friends Pet Adoption Responsive Website
April 2022 to June 2022

Empathized with users, defined the user's pain points, brainstormed ideas, created wireframes, mockups, and prototypes, and completed user testing. Fiona iterated through the process and created an equitable responsive website.

Education
August 2021 to present Coursera Google UX Design Professional Certification
Completed:
Foundations of User Experience (UX) Design
Start the UX Design Process: Empathize, Define, and Ideate
Build Wireframes and Low-Fidelity Prototypes
